WINEMAKER'S NOTES

Full red color. Nose opens to dust, pungent herb and spice with vanillin dried cranberry and cherry liqueur notes. Warm expansive cherry jam, with slight brandied fruit edge; hints of crème brulee and coffee. Delicious. This is a riper style vintage from Klipsun, but as is typical, it will continue to open up and intensify dramatically in the next 12-18 months. Should age well for 10-12 years with proper cellar conditions.
