WINEMAKER'S NOTES

Sourced exclusively from Klipsun Vineyard in the highly-regarded Red Mountain AVA from the same rows we have used since 1991. As with all our wines, grapes were hand-picked; harvest weather was very warm and yields near average. This wine continues the tradition of full-bodied Cabernet Sauvignon from Klipsun vineyard, offering aromas of ripe blackberry, piquant spices, briar and hints of cherry liqueur. By mouth there is abundant bright red and black fruits, fig and graham over moderate tannins, trailing into a warm, persistent finish. Vintage 2004 is a ripe vintage of moderate acidity, complex flavors and a very ageable structure. From one of America's outstanding vineyards, this wine will be enjoyable for many years to come.
