WINEMAKER'S NOTES

100% Malbec, hand-selected from Windrow, McClellan Estate and Minnick Vineyards, three hillside sites in the Walla Walla Valley appellation. Harvest conditions were ideal. Deep purple, magenta color with an assertive scent of passion fruit, blueberry pie and hints of floral and sweet spice. Medium weight, bright body with moderate tannin. Ripe blueberry and slightly drying finish. Barrel aged in fine Hungarian Oak to accentuate aromatics and compliment the silky mouth feel of the wine. I predict at least three to four years of enjoyable cellar life.
