AROMA Plum & Cherry jam, crushed pepper, mineral

TASTE Cherry liqueur, licorice, sweet spice, firm

Vegan: Yes

ALCOHOL 14.8%      LOT SIZE 91 cases      SRP \$50.00

## WINEMAKER'S NOTES

We have vinified this entire block of Cabernet Sauvignon for several years, and are very pleased with the distinctive nature of Clone 191 on the site. It's a great example of the excitement and power of matching the right clone with vineyard site.

The wine reveals aromas of cherry and plum jam, crushed pepper, and sweet spice and minerality. The palate offers dense ripe fruit, licorice and sweet spice, supported by a firm but polished structure. This wine is built for cellaring and should age well for ten to fifteen years.
